CONSTRUCTION WARRANTY INSURANCE

MANAGING YOUR BUILDER FACILITY

Helping your business grow with confidence.

Your Builder Facility is designed to support the sustainable growth of your business. Following these simple principles will help ensure your facility remains active and available when you need it.

COMPLETE YOUR ANNUAL REVIEW

Your Builder Facility is reviewed annually. Provide your review information before the due date to ensure uninterrupted access to Construction Warranty Insurance.

Your facility remains active.

KEEP YOUR FINANCIAL INFORMATION CURRENT

Maintain accurate financial records and provide updated information when requested including lodging and paying your BAS on time.

We can assess your facility quickly.

COMPLETE PROJECTS ON TIME

Deliver projects within reasonable timeframes. Consistently completing projects demonstrates good operational capacity and supports future growth.

Supports future facility increases.

CONFIRM JOB COMPLETION

Notify us when projects are completed. This keeps your active portfolio current and allows capacity to become available for new work.

Frees up your facility capacity.

MAINTAIN GOOD CREDIT STANDING

Maintain good financial management by meeting your financial commitments, including limiting director loans and retaining profits within the business.

Demonstrates ongoing financial strength.

STAY WITHIN YOUR APPROVED LIMITS

Operate within your:

- Facility Limit
- Active Job Limit
- Maximum Contract Value

If your business is growing, talk to us before accepting larger projects. These limits reflect your operational capacity and financial strength.

Supports sustainable growth.

TELL US ABOUT SIGNIFICANT CHANGES

Please let us know if your business experiences significant changes such as:

- Directors
- Ownership
- Company Structure
- Builder Licence
- Financial Position

Early communication allows us to work with you to manage any changes.

Avoid unnecessary delays.

RESPOND PROMPTLY

If we request additional information, please respond as soon as practical.

Quick responses help us finalise reviews, increase requests and referrals.

Faster decisions.

ASK BEFORE YOU NEED MORE CAPACITY

If your business is growing, contact us before you exceed your current limits.

We'll discuss:

- Facility increases
- Contract value increases
- Temporary capacity
- Business growth

Supports business growth.
