CONSTRUCTION WARRANTY INSURANCE

NEW BUILDER ELIGIBILITY

Helping emerging builders enter the market.

We work with emerging builders who demonstrate related industry experience, strong financial position, quality workmanship and commitment to sustainable business growth.

1 MEET THE MINIMUM ELIGIBILITY REQUIREMENTS

To apply, you'll generally need:

- Good credit history
- No significant ATO debt
- Proven building experience

2 COMPLETE YOUR APPLICATION

Complete the Builder Eligibility Application and provide your supporting documentation.

Typical documents include:

- Capital Position and Cashflow
- Builder Licence
- Company Details
- Identification
- Available security

3 WE ASSESS YOUR APPLICATION

Your application is allocated to a dedicated Construction Warranty Insurance Underwriter who will:

- Review your application
- Contact you or your broker
- Request any additional information to maximize the likelihood of a favorable outcome
- Prepare your application for credit assessment

4 CREDIT ASSESSMENT

Our Credit Team conducts a detailed assessment based on our Builder Eligibility Guidelines.

We consider factors such as:

- Financial strength
- Industry experience
- Credit history
- Business structure
- Capacity to undertake residential building work

5 DECISION

Once the assessment is complete, we'll advise you or your broker of the outcome.

If approved, your facility will include:

- Facility Limit
- Maximum Contract Value
- Active Job Limit
- Review Cycle

Any conditions or requirements will also be explained.

Confirm you meet the minimum requirements.	We receive your completed application.	We review and prepare your application.	Our Credit Team completes their assessment.	We provide our decision in writing.

KEEPING YOU INFORMED

Throughout the assessment we will:

- Contact you if additional information is required.
- Keep you informed of progress.
- Answer any questions.
- Provide all decisions in writing.
